Dear Mrs. Kler:

Thank you for the letter dated July 31, 2007, regarding the Northwest Training Range Complex Environmental Impact Statement (EIS)/Overseas Environmental Impact Statement (OEIS).

The Department of the Navy's EIS involves activities that could adversely impact tribal governments and their respective treaty rights. As such, I am forwarding a copy of your July 31, 2007, EIS/OEIS Notice and a copy of this letter to all tribal leaders located in Washington and Oregon for their review and comment directly to your office (See attached list). I will also forward your Notice to the Bureau of Indian Affairs (BIA), Pacific Region, Sacramento, California, for distribution to tribal governments in Northern California.

Concerning the development of your EIS/OEIS, Dr. B.J. Howerton of our Environmental Management Division will be the point of contact for the BIA, Northwest Regional Office and can be reached at (503) 231-6749. Thank you for the Notice and we look for working with the Naval Facilities Engineering Command Northwest.

Sincerely,
