Dan in Albuquerque

Probably somewhat dangerous, but better than seeing American pilots lose their lives in manned attacks. And, as far as I can tell, manned attacks make as many mistakes resulting in civilian death or injuries. Unfortunatly, as long as there is war, more civilians die than military. At lesst we don't deliberately target them. It is sad.that most of those killed don't even care what the war is about, they just want it to stop.
