Welcome

Welcome to the United States (U.S.) Department of the Navy (Navy) official website for the Northwest Training and Testing (NWTT) Environmental Impact Statement (EIS)/Overseas Environmental Impact Statement (OEIS).

This website is intended to provide the public and other interested entities with an understanding of the Navy's proposal, the environmental resources to be reviewed in the NWTT EIS/OEIS, the importance of accommodating required training levels and maintaining of military readiness, and how the public can be involved in the National Environmental Policy Act (NEPA) process. In addition, this website contains information on how the Navy is employing protective measures to reduce environmental effects from military training and testing activities.
