DEPARTMENT OF DEFENSE

Department of the Navy

Notice of Intent To Prepare an Environmental Imp
Overseas Environmental Impact Statement for Nav
California Training and Testing and To Announce

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to section 102 of the Nationa
Act (NEPA) of 1969, as implemented by the Coun
Quality Regulations (40 Code of Federal Regulat
1508), and Executive Order 12114, the Departmen
announces its intent to prepare an Environmen
and Overseas EIS (OEIS) to evaluate the potenti
associated with military readiness training and
testing, and evaluation (RDT&E) activities (her
``training and testing'' activities) conducted
Southern California Training and Testing (HSTT)
study area combines the at-sea portions of the
the Southern California Range Complex (includin
the Silver Strand Training Complex; areas where
the Hawaii Range Complex and the Southern Calif
select Navy pierside locations. This EIS and OE
renew and combine current regulatory permits an
address current training and testing not covere
and authorizations; and to obtain those permits
necessary to support force structure changes an
training and testing requirements.

The DON will invite the National Marine Fish
cooperating agency in preparation of this EIS a
