U.S. Navy: Ocean Stewardship

Login

The Environmental Director for the Chief of Naval Operations has spearheaded the creation of the [U.S. Navy Ocean Stewardship web site](#) to better educate and inform the public and Sailors on what the U.S. Navy is doing to protect the seas and its inhabitants during crucial training exercises. This web site features information on whales, research, video clips, environmental stories, the [Currents magazine](#) and more.

Web Site: <http://www.navy.mil/oceans/>
