Navy At-Sea Environmental Impact Statements

<http://greenfleet.dodlive.mil/environment/marine-mammals-ocean-resources/environmental-planning-at-sea/navy-at-sea-environmental-impact-statements/>

The U.S. Navy conducts extensive environmental planning for at-sea training and testing activities in consultation with the National Marine Fisheries Service. Below are links to the environmental impact statement (EIS) websites for 14 major at-sea ranges and operating areas.
