Articles

AVIATION WEEK results 1-2 of 2 for **E-Bomb**. [More Results](#)

[E-Bombs Could Go Mainstream\(03/11/2009\)](#)

Researchers want to add an electromagnetic pulse mechanism to explosive munitions in contrast to previous projects

[NG's Skyguard Lacks Mobility Army Seeking In High-Energy Laser\(08/10/2006\)](#)

While Northrop Grumman is hoping the recent Hezbollah missile attacks on Israel will create interest in its Skyguard chemically powered high-energy laser weapon system either abroad or for American homeland security, it's clear that the U.S. Army wants to wait for a more tactical and mobile system.
