

February 17, 2008 7:40 am – 8:17 am

Washington County, NY

Photo #1  
These trails do not evaporate. They expand.

Photo #2  
18 minutes later, expansion continues.

Photo #3  
8 minutes later, expansion becomes "cloud" cover.  
New trails form.

Photo #4  
11 minutes later, continued expansion obscures sun.
