### Ship trails in Biscay fog

<b>Image ID</b>	667
<b>Acquisition date</b>	2007-01-12
<b>Over head time</b>	09:42:00
<b>Sensor</b>	modis
<b>Channel(s)</b>	1,4,3

Extensive fog over the Bay of Biscay highlights aircraft contrails in a criss cross pattern to the west of France. Fog can also be seen nestling in the valleys in northern Spain. In the north of the image lee waves are visible over southern UK and Ireland.
