Aircraft contrails over the Mediterranean Sea

Image ID	629
Acquisition date	2007-04-26
Over head time	10:31:00
Sensor	modis
Channel(s)	1,4,3

Aircraft contrails can clearly be seen over the Mediterranean. In particular there is a thin band of contrails running from the Gulf of Lion southward to the island of Sardinia. Lee waves can also be seen to the north of the Gulf of Lion.
