## Police: Stockton officers fatally shoot knife-wielding man

The Stockton Police Department was investigating the death of a man who was shot by at least one officer after he went into an erratic rage with a knife, according to police.

[Comments](#)

## Chemtrails: Are they fact or fiction?

Debate rages over whether contrails left by jet aircraft are simply the scenic spreading of water and ice crystals or an ominous sign of a secret project to alter the atmosphere.

[Comments](#)

## Stockton legalizes sale of safe and sane fireworks

The Stockton City Council passed an ordinance Tuesday night that will allow nonprofit groups to sell safe and sane fireworks this summer.
